

LAND'S SAKE

February 2019 Newsletter

A Note from the Executive Director

We love winter here at Land's Sake, especially as we enter the height of the maple sugaring season! If you're interested in learning more, join us this Sunday (February 10) at [Tu B'shvat & the Local Trees](#).

We've been busy cutting firewood and tapping trees, but we are also excitedly planning for next summer. The growing season will be here before we know it, and we are looking forward to another great year. If you're dreaming of warmer weather, registration is open for summer Education Programs, CSA shares, Green Dollars, and Land's Sake Membership.

Looking for a unique Valentine's Day gift? Consider giving a CSA, Membership, or Farmstand gift certificate! If you have any questions, feedback, or ideas for me, feel free to reach out. I would love to hear from you!

--Pam Hess, Executive Director
