

AmeriCorps Service Member Position with TerraCorps & Land's Sake Farm

TerraCorps is a nonprofit organization working at the intersection of land conservation, sustainable farming, and local food systems to build local nonprofit capacity while growing the next generation of emerging leaders committed to making a difference at the community level. We value the power of local nonprofits to best understand and serve their communities, and our goal is to help them succeed by providing them access to the AmeriCorps national service model to build organizational capacity.

TerraCorps partners with a network of nonprofits in Massachusetts and Rhode Island focused on community needs related to local land conservation and sustainable agriculture. These partners act as service sites for a new cohort of AmeriCorps service members annually. Service members are paired with a site supervisor who provides guidance and mentorship while they learn to manage community programs and projects over a 1,700-hour service term. **The 2026–27 service year runs September 8, 2026, to July 30, 2027.**

Land's Sake Farm is interviewing candidates for a Youth Education Coordinator (YEC). The YEC will engage with the Education Manager to manage volunteers on community service projects, educate or train individuals in environmental stewardship or environmentally conscious practices, and complete three capacity building projects. Potential projects include:

- Expanding opportunities for regular programming with local schools and community organizations (libraries and councils on aging): for example, teaching classes in their gardens, hosting program series, providing free additional educational materials.
- Creating bee and pollinator based curricula to help fully integrate our education hives into farm programming.
- Redesigning and streamlining our free drop-in programs for children and adults (Eg, Open Farmyard, Volunteer Brigade) to attract more people, accommodate larger groups, and run in a year-round model.

Applications for this position must be submitted via the TerraCorps online application. The position description for the YEC at Land's Sake Farm can be found at [TerraCorps Available Member Positions](#).
